Rental Terms

Mandatory:

The Rentee and any additional drivers must have valid original identity documents: passport/ID card and driving licence. In case the customer provides a Driver's license that is NOT issued by a member state of the European Economic Area (EEA) or the Swiss confederation, he must provide an international driving license or a legalized translation of the original driving license (an original driving license must always be provided) and to fulfill the declaration on the desk.

"Preparation package":

This service is a professional preparation of the car before it's handed over and includes external and internal cleaning, air freshening, topping up of consumables - windshield wiper fluid and Adblue. The package is mandatory for all rentals without additional coverage purchased. If Top Protection or Premium Protection coverage is added, the fee does not apply and is paid by the Lessor. The preparation package is payable regardless of the condition of the vehicle upon return.

Payment and Deposit:

If a partial prepayment has been made, the remaining amount must be paid upon pick up by the Lessee. When renting the car, the Lessee is obliged to leave a deposit with a credit card (Visa or MasterCard) issued in his name. **Deposit by a debit card is only allowed if Top Protection or Premium Protection coverage is added.** For car rental of the FFAD, LDAR classes, a **credit card for the deposit**

must be provided! The bank card must be valid for at least 30 (thirty) days after the expiration of the Rental Period and to be physically present. The Rentee must know the PIN code of the card.

IMPORTANT! The deposit is valid for 25 days after the start of the rental. If the rent lasts more than 25 days, the client must visit the nearest office of the company before the 25th day to leave a new deposit for the car.

Payments are accepted with Visa and Mastercard cards.

Invoice details for the payment :

When making a reservation, you must indicate if you require an invoice for a company and provide the relevant company details. If this is not specified, upon payment on the website or at the company's office, an invoice will automatically be issued for a private person with the details of the customer who made the reservation. The invoice is generated automatically upon payment and is sent to the specified email address, containing information in Bulgarian and English.

Fuel:

The car is provided with a full tank (electric vehicles are provided with a charge of 80% to 90%) and under the terms of the contract must be returned with a full tank (electric vehicles must be returned with at least 80% of the battery). When returning the car with an incomplete tank or with charge under 80%, the customer pays a fee "Missing fuel/missing electric power" at a price according to Official price-list of the Rental Agreement.

Cancellation / change of reservation:

Confirmed bookings may be cancelled/changed free of charge up to 72 hours before the start of the rental period. If the booking is cancelled/changed less than 72 hours before the start of the rental period, a fee of 20% of the final rental price will be charged, but no less than the rental price for 1 day, as well as the value of the delivery fee in case of cancellation/change of the reservation, less than 24 hours before the start of the rental period.

No Show:

If the Rentee does not show to pick up their booked car within 4 hours after the agreed rental time, the booking will be considered cancelled, and the customer owes a penalty as cancellation.
